

Sea view apartments in the famous town of Byala, only 500 m from the beach. Byala is a fast developing seaside resort 50 km south from Varna and benefits from wide sandy beaches. The complex will offer a swimming pool, landscaped garden, parking lots at the rear of the building, rest areas.

The complex comprises 20 apartments (most of them with sea view), separated into 6 floors. All units comprise an entrance hall, living room with kitchenette, one or two bedrooms, bathroom, sea/park view terrace.

Prices include partially completed apartments: PVC window frames, MDF interior doors, gypsum plasterboard, outside thermal insulation, cupboards in the kitchen, luxury finishing of the common parts of the building, fully equipped bathrooms, floorings in the other premises need to be finished at your own taste.

Maintenance will be provided upon completion: it includes cleaning of the common parts, gardens, etc.
Estimated completion date: September 2009
