

ID N 681 Brand new apartments in Varna with open sea

Brand new apartments with open sea view in a sophisticated quarter of Varna, a residential area with high demand, 6 km from the city centre of Varna, 3 km from the beach. Price includes partially completed apartments: PVC window frames, interior doors, gypsum plasterboard, thermal insulation, luxury finishing of the common parts of the building, floorings and tiles in the living areas. There is an option of purchasing an apartment, completed to the turnkey stage with an additional payment.

Estimated completion date: December 2009
